EDUCATION

- 2001 Ph.D., Economics, Stanford University
- 1994 Maîtrise, Sciences Economiques, Université de Paris X, France
- 1993 B.S., Electrical Engineering (High Honors), University of Texas at Austin

PROFESSIONAL EXPERIENCE

- 2007-
Present Vice-President,
Competition Policy Associates, an FTI Company

Economist at economic consulting firm specializing in competition and antitrust policy in litigation and M&A settings. Conduct economic and financial analysis on a wide range of complex issues for corporations and public-sector entities. Prepare expert witnesses in proceedings before U.S. and international administrative agencies on competition policy issues, including industry structure, vertical arrangements, exclusionary conduct, and intellectual property rights.
- 2004-06 Senior Economist,
Competition Policy Associates, Inc.
- 2001-04 Senior Economist, AES Consulting
- 2000 Lecturer (Intermediate Microeconomics), Department of Economics, Stanford University
- 1997-2000 Teaching Assistant (Antitrust, Microeconomics, Mathematics), Department of Economics, Stanford University
- 1996-7 Staff Economist, Council of Economic Advisers, Executive Office of the President of the United States
- 1995-6 Research Assistant (for Professor Tim Bresnahan), Department of Economics, Stanford University

SELECTED PROJECTS

Antitrust Litigation and Damages

- For Tyco Healthcare (Nellcor Division), a large medical devices manufacturer, developed a sales erosion damages methodology to estimate impact of alleged exclusionary behavior; assisted in the preparation of expert reports; prepared expert for deposition and trial; and assisted attorneys at trial.
- For Tyco Healthcare (Kendall Division), assisted in the preparation of expert report in case involving alleged exclusionary conduct in the context of Group Purchasing Organizations; prepared expert for deposition.
- For a leading pharmaceutical company, prepared an economic analysis of the validity of an overcharges approach in estimating damages on proposed class members in litigation related to an alleged conspiracy to delay entry by generic drug manufacturers.
- For a major DRAM manufacturer, analyzed pricing behavior and other indicia of competition in assessing its possible financial exposure in a price fixing investigation.
- For The Coca-Cola Company, co-managed a large team of consultants in the preparation of a white paper to be submitted to the European Commission that examined market definition and the competitive constraints facing producers in the soft drinks industry in the EU.
- For Amgen biotech, in an intellectual property arbitration, assisted in the preparation of expert report and preparation of expert for deposition. Performed econometric analysis to evaluate opposing expert's claims.
- For Universal Music, developed economic models to analyze record companies' and composers' incentives under various licensing arrangements; prepared expert report submitted to the European Commission.

Mergers, Acquisitions, and Joint Ventures

- For CanWest MediaWorksNZ, co-authored a declaration highlighting lessons from the U.S. experience with media mergers in connection to the proposed acquisition of Prime TV, an over-the-air network, by SKY TV, a pay television company in New Zealand.
- For AT&T in its proposed merger with SBC, prepared expert declaration evaluating the economic rationale of AT&T's decision to exit mass market services.

- For AT&T Wireless, assisted counsel in the analysis of unilateral effects arising from its merger with Cingular and developed critical loss methodology to assist in assessment of product market definition.
- For AT&T Broadband, on behalf of its proposed merger with Comcast, managed a team of consultants in the preparation of expert declaration submitted to the FCC. Consulted with outside academic economists on the development of theoretical arguments to support the analysis.
- For Universal Music, managed the preparation of expert report in an FTC investigation involving price-fixing and restraint of trade in the context of a joint venture. Assisted in expert and attorneys' preparation for deposition and trial.

REPORTS AND PRESENTATIONS

- “An Assessment of the Competitive Effects of the SKY-Prime Merger: Lessons from the Recent News Corp.-DIRECTV Merger,” with Jon Orszag, declaration submitted to New Zealand Commerce Commission, commissioned by CanWest MediaWorksNZ, January 23, 2006.
- “Institutional Change and the Origins of Innovation in the Modern Art Market,” presentation given at the International Society for New Institutional Economics, Washington D.C., September 1999.
- “Technology Transfer at NASA: A Proposal Informed by Economic Analysis,” presentation given at an invitation-only NASA conference on technology transfer, NASA Headquarters, Washington D.C., Fall 1996.

HONORS AND AWARDS

- John M. Olin Foundation Summer Fellow in Law and Economics, 1998 and 1999
- Stanford University Economics Department Fellow, 1995
- Jean Dufrenoy Fellow, Société de Professeurs Français et Francophones, 1993-4
- University of Texas Achievement Honor Scholar (full scholarship), 1989-1993
