SELECTED CONSULTING EXPERIENCE

Mergers

- JD Sports / Footasylum (2021)
Providing support to JD Sports on the CMA's remittal after the CAT ruled to quash the CMA's prohibition of the merger, the first time that the CAT has overturned the CMA's substantive merger analysis (known as its SLC decision).
- Bayer / Monsanto (2018)
Provided support with key economic workstreams in relation to innovation theories of harm during Phase II of the European Commission's investigation.
- Deutsche Börse / London Stock Exchange (2016 – 2017)
One of the main analysts on the case from start to finish, working on derivatives, equities and indices. Conducted economic analysis and worked on key submissions in relation to unilateral and foreclosure effects in the clearing of derivative products during Phase II of the European Commission's investigation.
- Diebold / Wincor Nixdorf (2016)
Provided support with merger proceedings at multiple competition authorities worldwide.
- Banking sector (2015)
Part of a team advising two major European banks on the antitrust risk associated with a potential merger.

Antitrust

- Tech company (2020 – 2021)
Advised a tech company in relation to an EU antitrust investigation. Conducted economic analysis using large datasets and ran an experiment involving the company's machine learning tools.
- Major European truck manufacturer (2017 – 2019)
Managed a team working on economic analyses in response to follow-on damages claims in the UK and across the EU, including an application for collective proceedings in the Competition Appeal Tribunal.
- Gas supplier (2017)

Experience in a commercial dispute relating to the anti-competitiveness of a gas supply agreement. Supported expert in preparation of reports and oral testimonies before an arbitration tribunal.
